

## 2015 – 2016 Cook’s Farm CSEgg Agreement

I appreciate locally raised, pesticide-free products and want to participate in the Cook’s Farm Community Supported Egg Program (CSEgg). I understand that Cook’s Farm will do its best to provide sustainably-produced eggs on the dates and at the times scheduled.

Eggs: Cook’s Farm eggs are produced by hens that are free-range, and they forage for most of their food. When necessary, their diet is supplemented with a natural feed.

Pricing: The price of a package is \$65.00. This fee covers the cost of eggs, delivery to a central location in Wyoming, and a small administrative fee. Payment is due with the signed CSEgg Agreement. Checks should be made payable to Wyoming Ave. Farmers’ Market.

Packages: On each pick-up date, I will receive one (1) box of up to one dozen (12) eggs for each package purchased. When the hens are producing as anticipated, each package will contain twelve (12) eggs. However, if weather conditions are extreme and egg production is affected, the available eggs will be evenly divided so that each package will receive an equal quantity of eggs. Adjustments will not be made on subsequent delivery dates. Packages are allotted on a first-come, first-served basis and will not be held without payment.

Pick-up: Eggs will be available for pick-up at between 2 and 6 pm on the following dates:

10 November, 24 November (2 - 6 pm at Wyoming Civic Center), 8 December, 22 December, 5 January, 19 January, 2 February, 16 February, 1 March, 15 March, 29 March, 12 April. *Please note: this contract includes the Thanksgiving Market on Tuesday, November 24.*

***Please note that the pick-up location has changed to La Terza Artisan Coffee Roasterie, 611 Shepherd Drive, #17, Lockland, OH.***

If I cannot pick up my eggs within the specified time-frame, I can send a representative in my place. My representative simply needs to give my name at pickup or sign the pick-up form. Cook’s Farm reserves the right to donate any eggs not picked up by 7 pm to charity.
